The feedbacks from students were taken, like the previous year, on the basis of ten criteria for all departmental teachers to assess their student centric performance.

After analyzing the feedback in the meeting held on 23.5.2017 it was noted that on an average 30 students per Honours department of the outgoing 3rd yr. Students participated in the feedback. Further, they were overall satisfied with the performance of the teachers. However only one Teacher was given less than 75% marks in the overall analysis taking in to the account the above mentioned ten criteria. The IQAC suggested to the Principal to individually talk to that one teacher and request him for improvement.

After analysis the following feedback about college support system was received:

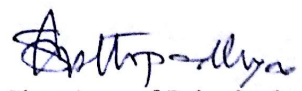

Sl. No.	Comments	%
