

SciFest 2021

On the occasion of our first anniversary on 13th March, 2021, Science Club has decided to organize the following events

- **Debate:** Search for life in outer space is just a wastage of money and time
- **Essay Writing:** Human Interplanetary Mission: Future or Fluke?
- **Poster Drawing:**
 1. Pandemic and Mental Health
 2. Gradual Urbanization of Purulia: Good or Evil?
 3. Honey bees and their role in environment.
- **Quiz:** Open Hall quiz will be organised like previous year, and topics will be covered from recent science news and other things related to science.

Interested students are requested to submit their names through this link: <https://forms.gle/61BXqzEhcSh9b3AB6>
