Dear Sir,

This is to inform you that Post-graduate 2nd semester students of the Department of Geology, Cotton University, Guwahati will be carrying a field study in and around Purulia, West Bengal. The geological field study is scheduled from 23rd February to 6th March, 2019. As the location is new for the visiting group, it will be extremely convenient if we can have a person who is aware of the important locations that are best for geological mapping. In this context, may I request your kind approval to allow Mr. Subhrajyoti Das, Assistant Professor, Department of Geology of your institute to guide us in the field for a couple of days.

Looking forward to your kind consideration in our academic endeavour.

Kind regards,

Amiya Baruah *Bibhuti Gogoi*

Dr. Amiya Baruah & Dr. Bibhuti Gogoi.
