

Department of Zoology
J.K. College, Purulia

Notice

This is to notify that an alumni meet has been organized by our departmental students on 25. 11. 2018 in the Department at 11.00 A.M. All the students are requested to be present on that day to make the occasion a grand success.

Report of the Alumni Meet, Dept. Of Zoology, J. K. College, Purulia

The first chapter of the alumni meet of this department was successfully organized on 25th November 2018 in the presence of 53 students past and present & faculties past and present. The head, Dept. of zoology, Dr. Patha Pratim Saha, welcomed all. The Ex faculty Prof. Shyamadpad Ghosh thanked the department for taking this wonderful initiative, and recalled his days in the college.

A number of alumni also recollected their experiences and assured the present students to provide cooperation within their jurisdiction. It was felt that more past students should be made members to have a thriving alumni association.

The day was marked by recalling some sweet sour moments of the past. A short cultural programme was also organized in which the alumni enthusiastically participated.
