REPORT OF ALUMNI MEET 2018

The Alumni were welcomed and thank you for making the Alumni Reunion 2018 such a great success. Reunions evoked amazing emotions inside of us because it's a check-out period.

A small but hearty group of alumni revisited our campus to renew their lifelong connection to this college. It was a fantastic opportunity to reconnect with friends and classmates and see how department of microbiology has grown into the J.K.COLLEGE, it is today.

Alumni shared their experiences as well as interesting moments of campus life with audiences. Alumni reunion came to an end with a short entertainment programme.
