NOTICE

“Meet the IQAC - Share Your Thoughts”

Dear students of Commerce department,

Because of the pandemic for the last 15 months or so, we could not meet you, talk to you, let you know the different activities and facilities the college provides, and know about the difficulties or inconveniences that you may have been facing. This is a golden opportunity for all of us to sit together for half an hour or so and share our frank thoughts to make the college better.

Students and teachers of commerce department and IQAC members, please join online on 8th July at 4:00 p.m. for a meaningful dialogue among us.

The necessary link will be provided in due course.

All the teachers and all students of all semesters of the Department of Commerce are requested to join.

A.K. Agarwal,

Co-ordinator, IQAC, J. K. College Purulia

MINUTES OF THE IQAC MEETING HELD ON 08.07.2021

Proceedings and Resolutions adopted in the meeting (held on 8th July at 4 p.m. in online platform) with the students and members of the faculty of the Department of Commerce, and members of the IQAC, along with the Principal of J. K. College, Purulia.

Altogether 11 teachers and 48 students participated in the meeting.

At the outset, the Principal, Dr Shantanu Chattopadhyay welcomed all and also this initiative of the IQAC to meet the students online as there was a long gap in talking to the students about their difficulties, inconvenience and other matters if any.

The Coordinator Dr. A. K. Agarwal stressed on the importance of the emotional bonding among students, teachers and management for everything going smoothly in the institute. He described in detail the various facilities that the college offers, specially keeping in mind the second semester students who unfortunately could not really get any opportunity to know the college properly since their admission because of the ongoing pandemic.

Prof. Rajiv Goswami, Teacher-in-Charge, Commerce Unit, Morning Section, then addressed the students, and requested them to use this opportunity to open up.

The students then were requested to frankly discuss if they had any inconvenience or problem in understanding their subjects and following their syllabus.

Though the students said that overall they were happy, 6 students belonging to different Semesters expressed their grievances regarding no class being taken in Economics, and inadequate number of classes held in Mathematics, Computer Science and English AECC2.

The students were assured that necessary immediate steps would be taken to arrange these classes.

The Principal ensured that he would look into the matter, and ensure that such things do not recur.

Thanking every one present, the meeting ended here.

MINUTES OF THE IQAC MEETING HELD ON 09.07.2021

Proceedings and Resolutions adopted in the meeting (held on 9th July at 4 p.m. in online platform) with the students and members of the faculty of the Department of Mathematics, and members of the IQAC, along with the Principal of J. K. College, Purulia:

Altogether 14 teachers and 54 students participated in the meeting.

At the outset, the Principal, Dr Shantanu Chattopadhyay welcomed all and explained the reason of the meeting. He said that this initiative of the IQAC was taken to meet the students online as there was a long gap in talking to the students about their difficulties, inconvenience and other matters if any.

The Coordinator Dr. A. K. Agarwal stressed on the importance of the emotional bonding among students, teachers and management for everything going smoothly in the institute. He described in detail the various facilities that the college offers, specially keeping in mind the second semester students who unfortunately could not really get any opportunity to know the college properly since their admission because of the ongoing pandemic.

Dr. Ganesh Chandra Gorain, Head, Department of Mathematics, & Dr. K. L. Dutta, the senior most faculty member, then addressed the students, and requested them to use this opportunity to open up.

The students then were requested to frankly discuss if they had any inconvenience or problem in understanding their subjects and following their syllabus.

Majority of the students said that overall they were happy. But, they said they were facing problem in following step by step calculations shown online because of poor network issue. Some learners belonging to different Semesters wanted more books from the library.
