

Reporting of excursion (09-03-2022 to 14-03-2022)

Botany department, J. K. College Purulia, has organized a Botanical excursion trip to Kurseong and Darjeeling from March 9th to March 14th, 2022. This is a suitable trip for practical exposure in the subjects; this trip can further enhance our knowledge, particularly in the area of how vegetation and flora diversity change, and people relations with plant. As a teacher Dr. Sujit Ghosh accompanying with the sixteen numbers of students of 3 different semesters (II, IV, and VI). Students pay for their own visits, while teacher expenses are covered by the college fund.
