

# Extension Activities Carried Out In The Neighborhood Community : 2022-2023

Our institution is completely aware of and dedicated to the learners' holistic development through participation in a variety of social activities. The majority of extension efforts are conducted through these college wings - NSS, NCC, RRC (Red Ribbon Club), Legal Literacy Club, Science Club and Prayas in collaboration with District Science Centre, Purulia Naba Kishalaya Sangha among others. These units have been actively involved in outreach initiatives like the Education Program in the Adopted Villages, Swachhaa Bharat Aviyan, Awareness & Rally Programmes on Health, Anti-Tobacco, Environment, Traffic, Social Issues, Observation of various National/International Days, Value Education Programs, etc. Some photographs of these activities are given below as documentary evidence.
