

Report On Extension activities are carried out in the neighbourhood community, 2023-2024

Our organization is fully conscious of and committed to the overall development of its students via engagement in a range of social activities. The majority of extension activities are carried out by the following college wings: NSS, NCC, RRC (Red Ribbon Club), Legal Literacy Club, Science Club in partnership with different Government, Non-Government and social organizations like, District Science Centre, Ramkrishna Mission, and Purulia Naba Kishalaya Sangha. The Adopted Village Education Program, Swachhaa Bharat Aviyan, Awareness & Rally Programs on Health, Anti-Tobacco, Environment, Traffic, Social Issues, Observation of various National/International Days, Celebration of Birth Days of Great Indians like Swami Vivekananda, Maa Sarada, Value Education Programs, etc. are just a few of the outreach initiatives in which NSS units have been actively involved. In addition, the NCC unit, equipped with its skilled volunteers, is ready to put down any uprising as part of disaster relief efforts and uphold law and order as necessary. Additionally, the volunteers participate in holidays such as International Yoga Day, Republic Day, Army Day, and Independence Day. Our cadets frequently take part in regional and national NCC camps. Blood donation drives and awareness campaigns about blood-related concerns are organized by RRC and NSS Units. All these activities were conducted for the holistic development of our students.
