

Report On Research Methodology & Intellectual Property Rights (IPR), 2023-2024

A workshop on Research Methodology was conducted on 29/11/2023, organized by IQAC, J. K. College, Purulia. The objective of the workshop was to enhance participants' understanding of research methodologies, the importance of protecting intellectual property, and the role of entrepreneurship in knowledge application.

The workshop was conducted by Dr. Partha P. Saha and Dr. A. Panda, faculties from Dept. of Zoology and Chemistry. They provided insightful sessions highlighting on Research Methodology, covering key aspects such as research design, data collection techniques, and ethical considerations in research. Participants were guided on how to formulate research problems, analyze data, and present findings effectively.

A seminar on the Intellectual Property Rights was conducted by Dr. Sujit Ghosh, Associate Professor; Dept. of Botany of our college on 05/01/2024. He emphasized the significance of patents, copyrights, trademarks, and their role in safeguarding innovations. His personal experiences in doing research and obtaining patent were shared to illustrate how researchers can protect their work and leverage IPR for academic and commercial benefits.

The interactive workshop engaged participants through Q&A sessions and discussions. Both the events concluded with a vote of thanks by the Principal and Coordinator, IQAC of our college appreciating the speakers and attendees for their active participation. The workshops were well-received, with participants expressing enthusiasm for future sessions on similar topics.

This initiative successfully bridged the gap between academic research and its practical applications, fostering a culture of innovation and entrepreneurship among scholars and professionals.
