

OUR BEST PRACTICE-II, 2023-2024

Holistic Student Support & Well-Being

Throughout the year a number of activities and programs are systematically planned and organized for the holistic growth of our stakeholders. Apart from department wise mentoring, a special cell to provide mental health and counselling support was set up to address stress, anxiety, and career confusion of our learners. A dedicated cell was involved spreading financial aid and scholarships awareness. A number of times meritorious but needy students were financially supported in medical crisis as well as for their higher studies. Programs like Blood Donation Camp, AIDS awareness, Traffic Rules, etc. are conducted. Celebrating festivals like Eid, Saraswati Puja etc. and birth days of great Indians encourage cultural inclusivity, respect for diversity and mutual respect. Conducting Add-on course on Yoga and Wellness and organizing regular meditation help participants to be calm in mind.

Certificate of Participation

We feel delighted to certify that a total 180 students of the NSS Unit of J.K.College, Purulia took part in the Youth Convention organized in our Main campus at Vivekananda Nagar, Purulia on 12 January (Birthday of Swami Vivekananda and National Youth Day) 2024 observed as Vivek Chetana Utsav. Their wholehearted participation left a profound impact on the programme directed to help manifest the potential in the youth in general.

While their demeanour and involvement earned high éclat from the honoured assemblage we sincerely appreciate their spirit of service and positive interest in the community activities.

May they grow from strength to strength under the able guidance of their College is our earnest prayer.
